

# Is This Love (Acoustic Version)

## Kolohe Kai

Girl I don't have much  
Just my loving touch  
And I hope that's alright with you  
I know we just met but I'll never let  
My hesitation lose you I gotta tell you that I'm one foot off the ground  
Im getting to you but weight keeps pulling me down  
Ohh can't you see that your the only one for me I don't know what this is  
Is this love?  
All I know is that  
Your all I think of I don't know what this is  
Is this love?  
All I know is that  
Your all I think of  
Girl we've talked so long these feelings are so strong  
I think that we should be together  
I feel something inside something I can't describe  
And its not getting better I gotta tell you that I'm one foot off the ground  
Im getting to you but weight keeps pulling me down  
Ohh can't you see that your the only one for me I don't know what this is  
Is this love?  
All I know is that  
Your all I think of I don't know what this is  
Is this love?  
All I know is that  
Your all I think of Is this love  
Is this love?  
I don't know what this is  
Is this love? I don't know what this is  
Is this love?  
All I know is that  
Your all I think of  
I don't know what this is  
Is this love?  
All I know is that  
Your all I think of  
Is this love?  
Is this love?
