I'll Be Around

Devon Allman

This is our fork in the road
Love's last episode
There's nowhere to go, oh no
You made your choice
Now it's up to me
To bow out gracefully
Though you hold the key, baby

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around

Now I knew just what to say
Now I found out today
That all the words had slipped away, but I know
There's always a chance
A tiny spark will remain
And sparks turn into flames
And love can burn once again, baby

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around, yeah

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Even if I have to crawl, I'll be there
I'll be around

Just call me on the phone, I'll be there
I'll never leave you alone, I'll be there
Just call out your name, I know I know you know
I'll be around

I'll be standing in a coffin, I'll be there
I'll be a-rippin' it up, I'll be there
I'll be calling out your name to let you know
I'll be around
