

Lost Paradise

Izzy Bizu

Oh yeah, oh yeah oh
Oh yeah, oh
Oh yeah, oh yeah oh
Oh yeah, oh It was more than just a dream to me
He was long gone
I know I'm always with the fairies
Man, it's just where I belong And I say darling, I know
Nothing is as it seems
And darling, it's just
Sweet reality And I know it's hard to find a piece of mind
You can't ride two horses at the same time
I'm heading north to find lost paradise
Till then I'll meet you on the other side Oh yeah, oh yeah oh
Oh yeah, oh
Oh yeah, oh yeah oh
Oh yeah, oh There is more than just this world to me
Yeah, my mind is long long gone
I'm gonna hitchhike my way outta here
I need to find my arizone And I say darling, I know
Nothing is as it seems
Darling, let's go
Escape reality And I know it's hard to find a piece of mind
You can't ride two horses at the same time
I'm heading north to find lost paradise
Till then I'll meet you on the other side Oh yeah, oh yeah oh
Oh yeah, oh
Oh yeah, oh yeah oh
Oh yeah, oh Let me tell you something 'bout me in the day
I was an optimist nothing would get in my way
And then my daddy was hanging on zip wire dreams
Oh, I begged him to wake but all he wanted was peace
And I don't blame him for a second he had four ribs broken
Half a tongue left and no kidney to show
But I pray everyday we can live off hope
Move an inch everyday till ya reach the door Darling, I know
Nothing is as it seems
Darling, it's just
Sweet reality And I know it's hard to find a piece of mind
You can't ride two horses at the same time

I'm heading north to find lost paradise
Till then I'll meet you on the other side
