

New Lullaby

Poor Rich Ones

You have me come eyes, but I've seen others
Even close to (close to) you
It's a new city, and I am a stranger
Larger and more demand to know You're still up above
I'm sad and me is alright
You're still up above,
I'm sad and so is my fight Offer me, something else will bring
I sold memories for a better purpose
Copless? vermin, copless? you
I own the sweetest kiss, stretched forever You're still up above
I'm sad and me is alright
You're still up above,
I'm sad and so is my fight
You're still up above
I'm sad and me is alright
You're still up above,
I'm sad and so is my fight
You are sad, you lie
You are sad, you lie
You have me come eyes, but I've seen others
Even close to you
You are sad, you lie
You are sad, you lie
You're still up above
I'm sad and me is alright
You're still up above,
I'm sad and so is my fight
You are sad, you lie
You are sad, you lie
Offer me, something else will bring
I sold memories for a better purpose
You are sad, you lie
I sold memories for a better purpose
You are sad, you lie
I own the sweetest kiss, stretched forever
(Fadeout)
