

# When Bogart Talks to You

## Blue System

Oh, you said that you're faithful  
Big dreams they're useful now I cry and I cry  
Till the end of the lonely night

Don't say it's okay this goodbye, this goodbye  
Oh, it's hard but it's fair baby, I don't care  
A part of me is dying

Oh, I'm here and there call me everywhere  
Cross my mind I'm dying  
Oh, I love you till the end of time  
Oh no, I love you till I die  
Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love  
(When Bogart talks to you)  
Don't break the silence, don't

(When Bogart talks to you)  
Love me baby, oh kiss me baby  
Don't miss me with devotion  
Love me baby, oh kiss me baby  
Don't miss me with devotion  
Oh, you said that you're faithful  
Big dreams they're useful now I cry and I cry  
Till the end of the lonely night

Don't say it's okay this goodbye, this goodbye  
Oh, my heart needs a home  
Baby, I know love I know is passion  
We're friends not stone

Baby, without a home a love is an obsession  
Oh, I love you till the end of time  
Oh no, I love you till I die  
Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love  
(When Bogart talks to you)  
Don't break the silence, don't

(When Bogart talks to you)  
Love me baby, oh kiss me baby  
Don't miss me with devotion  
Love me baby, oh kiss me baby  
Don't miss me with devotion  
Don't break the silence, don't

(When Bogart talks to you)  
Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love

(When Bogart talks to you)  
Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love  
(When Bogart talks to you)
