

# We Are Powerful

Lenka

We are invincible, we are unique  
â€œWe are incredible, we are freeâ€œ  
We are beautiful, we are a dream  
â€œWe are wonderful, you and meWe are powerfulâ€œ  
We are powerfulWe fell in love on the same dark night  
When the moon was high and the stars were bright  
We stood still while the world turned 'round  
and we knew then that we are powerfulWe are powerful  
We are powerfulWe are magnetic, we are bold  
We are electric, we won't grow old  
We are mysterious, we are wise  
We are adventurous, you and IWe are powerful  
We are powerfulWe fell in love on the same dark night  
When the moon was high and the stars were bright  
We stood still while the world turned 'round  
and we knew then that we are powerfulWe are powerful  
We are powerfulWe fell in love on the same dark night  
When the moon was high and the stars were bright  
We stood still while the world turned 'round  
and we knew then that we are powerfulWe are powerful  
We are powerful
