I Bid You Goodnight

Aaron Neville

Lay down my dear brother, lay down and take your rest
I want to lay your head upon your Savior's breast
I love you but Jesus loves you best
I bid you goodnight, goodnight, goodnight
I bid you goodnight, goodnight, goodnightLay down my dear brother, lay down and take your rest
I want to lay your head upon your Savior's breast
I love you but Jesus loves you best
I bid you goodnight, goodnight, goodnight
I bid you goodnightOne of these mornings bright and early and soon, goodnight
Now they're pickin' up the spirit to the shore beyond, goodnight
Go walking in the valley of the shadow of death, goodnight
His rod and his staff, gonna comfort me, goodnight
Join the wise, there's a soul to find, goodnightLord send a fire, not a flood next time, goodnight
To leave for the ark, that wonderful boat, goodnight
She really loaded down, getting water to float, goodnight
Now be for the beast at the ending of the world, goodnight
He'll eat all the children that would not be good, goodnightI remember right well, I remember right well, goodnight
I went walking to Jerusalem just like John
Goodnight, goodnight, woh goodnightLay down my dear brother, lay down and take your rest
I wanna lay your head upon your Saviors breast
I love you, but Jesus loves you best
I bid you goodnight, goodnight, goodnight
I bid you goodnight, goodnight, goodnight
