If You Don't See

thanks to Annie for submitting the lyrics OoOoO ye I had a dream of love invisioning you (it was you)

you're all that I need

some may think that love involves more than two (that ain't true),

at least not with me and so I give you a minute to think about it

clear all the doubt from your mind,

don't waste my time, baby

don't try to play me, I ain't a baby, I may be young but

I'm wise, and I've got my pride so If You Don't See what I see

by the time that I count to 3

I'm gonna say bye-bye

I'm giving you 1-2 whatcha gonna do? If You Don't See what I see

how a love is supposed to be I'm gonna say bye-bye, ain't no lie

I'll do without you why do men think, that one love ain't enough?

(it's good for you) and you for me

because I need you to be true

I'm giving you..

my heart as long as you are faithful to me and so I give you a minute to think about it

clear all the doubt from your mind,

don't waste my time, baby

don't try to play me, I ain't a baby, I may be young but

I'm wise, and I've got my pride so If You Don't See what I see

by the time that I count to 3

I'm gonna say bye-bye

I'm giving you 1-2 whatcha gonna do? If You Don't See what I see

how a love is supposed to be I'm gonna say bye-bye, ain't no lie

I'll do without you I'll give you a minute to think about it (bout it)....
