

# Sho' Nuff I Do

## Elmore James

Well I came home one mornin', found my baby gone  
Well you know I always lived all aloneOh, I love her,  
Yes, I love her  
Sho' nuff I doFirst time I saw her, on a Friday night  
I told her baby, I told everything was alrightOh, I love her,  
Yes, I love her  
Sho' nuff I doI saw her one mornin', she was goin' round the street  
She was shakin' hands with every man she meetOh, I love her,  
Yes, I love her  
Sho' nuff I doI raise my hands once again  
Baby if you please, baby please understandOh, I love her,  
Yes, I love her  
Sho' nuff I do
