Rose Of England

The Last Resort

I was feeling really sad
Life was looking really bad
Then you came onto the scene
Crimson Rose so serene
English rose will never die
English rose will always stand
Why we'll fight for English land
Where you come from we don't care
We're just glad that you are there
English rose is sweet and strong
To this country you belong
It will never wilt or cease
To exist in war and peace.
