

# Blame It On The Weatherman

## B\*Witched

It's just one more day  
No one said  
There would be rain again  
Won't blame it on myself  
I'll blame it on the weatherman  
Get away for a while  
Here I am out on my own again  
Won't blame it on myself  
I'll blame it on the weatherman Standing on the shore  
Calling out your name  
I was here before  
I could see your face  
Only clouds will see  
Tears are in my eyes  
Empty like my heart  
Why do ya say goodbye The rain goes on (on and on again)  
The rain goes on (on and on again)  
Alone I can hear  
Hear our song  
Playing for me again  
Won't blame it on myself  
Just blame it on the weatherman Standing on the shore  
Calling out your name  
I was here before  
I could see your face  
Only clouds will see  
Tears are in my eyes  
Empty like my heart  
Why do ya say goodbye The rain goes on (on and on again)  
The rain goes on (on and on again)  
Alone I can hear  
Hear our song  
Playing for me again  
Won't blame it on myself  
Just blame it on the weatherman  
Maybe it's too late  
Maybe it's too late to try again  
Maybe I can pray  
Maybe I can wait

Maybe I can blame it on the weathermanThe rain goes on(on and on again)

The rain goes on(on and on again)

Won't blame it on myself

Just blame it on the weathermanOh blame it on the weatherman
