Have You Made Up Your Mind

Paul Weller

The smoke rings running through your hair
There's a look in your eyes
I see a glint of smile on your face
But I know that smile ain't mineOh, a fool he is
Oh, a fool he isThey say everything has a place in time
But this aint one of those times
I feel there's something in the air
Just dont know what, don't know whyWhat a fool I've been
What a fool I've beenHave you made up your mind?
Have you made up my mind for me?
Have you made up your mind?
Have you made up my mind for me so easily?There's a love life breaking through the dawn
But where will I be when morning comes?
I feel it, feel it in my bones
Just don't know where my feeling goesWhat a fool I've been
Oh, what a fool I've beenHave you made up your mind?
Have you made up my mind for me?
Have you made up your mind?
Have you made up my mind for me?They say there's a time and place for everything
But this aint one of those timesWhat a fool I've been
Oh, what a fool I've beenHave you made up your mind?
Have you made up my mind for me?
Have you made up your mind?
Have you made up my mind for me so easily, so easily?Have you made up your mind, girl?
