

# With You (Crystal Skies Remix) [feat. Quin XCII]

## Illenium

You hate when my head  
Hangs low after all  
These things you said  
Trust it's not your fault  
Can't expect you to understand  
Take it back to when it began  
Had I just followed all my plans  
I wouldn't have ended up so lost  
Now we're both so off  
And I'm still the one to blame  
Can't say we'll stay the same  
Can't say we'll stay the sameBaby, baby stay here  
I need some time to clear my mind  
We both know it's a problem  
When you call me all the time  
And I'll say  
I may just need a little bit longer, yeah  
I may just need you to be stronger  
If I'm not there with youIf I'm not there with you  
I can't hold this fight in anymore  
If I'm not there with you  
I can't hold this fight in anymoreBaby, baby stay here  
I need some time to clear my mind  
We both know it's a problem  
When you call me all the time  
And I'll say  
I may just need a little bit longer, yeah  
I may just need you to be stronger  
If I'm not there with you
