stand up like a man and look me in the eye.
Turn around
take one final look at what you've left behind.
Then walk away
from the greatest lover you have ever known.
yes walk away
you're telling me that you can make it on your own
By yourself all alone without my help
mister you just made a big mistake.You think you're a man
but you're only a boy
You think you're a man
you are only a toy.
you think you're a man
but you just couldn't see
You weren't man enough to satisfy me.boy boy

You've got a nerve to walk away
