

# Back On the Train

## Phish

When I jumped off, I had a bucket full of thoughts  
When I first jumped off, I held that bucket in my hand  
Ideas that would take me all around the world  
I stood and watched the smoke behind the mountain curl  
It took me a long time to get back on the train Now I'm gone and I'll never look back again  
I'm gone and I'll never look back at all  
You know I'll never look back again  
I turn my face into the howlin' wind  
It took me a long time to get back on the train See my face in the town that's flashing by  
See me standing in the station in the rain  
See me running there beside the car  
I left it all behind, again I'll travel far  
It took me a long time to get back on the train When I jumped off, I had a bucket full of thoughts  
When I first jumped off, I held that bucket in my hand  
Ideas that would take me all around the world  
I stood and watched the smoke behind the mountain curl It took me a long time to get back on the train  
It took me a long time to get back on the train  
It took me a long time to get back on the train
