Blast Off!

Uridium

Stay away from the chili verde
Unless you want to get blown away
Treat the spider with a little respect
You take the heat - it's gonna bite backBlast off at Cape Canaveral
Toilet seat is your launching pad
Blast off at Cape Canaveral
4-3-2-1 blast off!Capsaicinoids are a thing to avoid
unless you want to burn in that 'roid
We'll be laughing
and rolling on the floor
When we hear you screaming through that doorBlast off at Cape Canaveral
All systems go!
Blast off at Cape Canaveral
4-3-2-1 blast off!JalapeÃ±o, Habanero
Burning all yo' hair down there-o
Picinu, Vindaloo
They're gonna getcha
They're gonna getcha, tooYou know those red things in the Kung Pao?
Don't say I didn't warn you now
Take the time to pick them out
or the spider gets grouchy
and it's time to countdrown!Blast off at Cape Canaveral
(oooh! oh oh oh!)
Blast off at Cape Canaveral
(woooooh!)
Blast off at Cape Canaveral
(Houston, we have a problem)
Blast off at Cape Canaveral
4-3-2-1 blast off!
