Drops (feat. Tom Bailey)

FKJ

Well I wanna let you know my mind is made up
And I wanna go and I've been thinking about what to do
Been thinking about me, about me and you
For a long time I've tried to find
Reason to stay here in this cage of mine
Well, I, I don't need no borderline
I, I don't need that fame of mine
Let me tell you
I don't need nobody, nobody but me, umh
I don't want nobody, nobody but me, nobody

Now a year gone by and I want you back
This things that ever said, but great seeing your neck
Funny how I never ever saw before
I guess sometimes you got to walk out the door
Don't it always seem to go
You don't know what you've got till it's gone?
(Joni Mitchell never lies)
Don't you know it seem to go
I betcha you don't know what you got till it's gone
(And Joni Mitchell never lies)

I do need somebody
I need my baby, yeah
I do need somebody
I need my baby
I do need somebody
I need my baby
I do need somebody
I need my baby

I don't want, I don't want, I don't need
I don't want, I don't want, I don't need
I don't want, I don't want, I don't want
I don't want, I don't want, I don't want

I do need somebody
I need my baby
I do need somebody

I need my baby
