

# Is This Love

## Umbra et Imago

[Aiden Grimshaw]As the shadow looms over  
Covers me and I can't see  
So you better move over  
Cause I can't breathe  
There's a fiery eye in the middle of the dark sea  
And it's pulling me down  
So I can't breathe  
And as you pull out your gun point blank got a feeling this can't be  
The air is moving around me but I can't breathe  
I can't breathe  
[Choru]s  
Is this love?  
When the sun goes down  
Is this love?  
When the sun goes down  
But this love, it's just not enough for me  
It's just not enough for me  
Violently I've come around

An extension of hope, this could be misleading  
Could you write it down now  
Cause I can't speak  
And it cuts like a knife in the cracks that I can't read  
And you're pulling me down so I can't breathe  
And there's a fire eye in the middle of the dark sea  
And it's pulling me down so I can't breathe  
I can't breathe  
[Chorus]Is this love?  
When the sun goes down  
Is this love?  
When the sun goes down  
But this love, it's just not enough for me  
It's just not enough for me  
Violently I've come around  
[Bridge]It's a situation, sometimes we all want out  
Vicious regulations, from time to time we need some help  
Situations, sometimes we all want out  
Vicious regulations, from time to time we need some help
