

# This Time I'm In It For Love

## Player

I heard the weatherman predict a sunny day  
He did not mean to lie, I look outside it's raining  
Anyway, I guess I can live with a rainy day

'Cause in the scheme of things you're gonna lose a few  
Even your best made plans before you know it  
They are falling through but that couldn't happen to me and you

This time I'm in it for love, this time I'm in it to win  
It's crazy to do it again, but how could I possibly lose?  
How could I lose? This time I'm in it for you

My ma, she used to say, "Beware the tender trap  
If you get caught in one make sure you notice where your heart is at  
Don't take chances with things, things like that"

This time I'm in it for love, this time I'm in it to win  
It's crazy to do it again, but how could I possibly lose?  
How could I lose, this time I'm in it for you

This time I'm in it for love, maybe this time I'm in it to win  
It's crazy to do it again but how could I possibly lose?  
How could I lose this time I'm in it for you

This time I'm in it for love, this time I'm in it to win  
It's crazy to do it again, but how could I possibly lose?  
How could I lose, this time I'm in it for you
