Simply the Best

Tina Turner

I call you when I need you, my heart's on fire
You come to me, come to me wild and wild
When you come to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
And it can't be wrong
Take my heart and make it strong babyYou're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be deadIn your heart I see the star of every night and every day
In your eyes I get lost, I get washed away
Just as long as I'm here in your arms
I could be in no better placeYou're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be dead
