

Play Me The Song

D'Sound

sun is setting fire to the sky tonight
lucky are the ones who are not alone
lovely boy walked me home from the bar tonight
I love his smile
when he plays the guitar
I'm saying; «play me the song that your father taught you
fill me with peace
because I need it bad»
oh, wonderful sunset strikes me deaf and blind
and I'm so relieved; there's a life after him he was young and promised me the world, you know
but inside I knew it wouldn't be
every goodbye is leading to a new hello
now look at me - with mister T
I'm singing; play me the song that your father taught you
fill me with peace
because I need it bad»
oh, wonderful sunset strikes me deaf and blind
and I'm so relieved; there's a life after.....
