

Creepin

Chanel West Coast

Advisory - the following lyrics contain explicit language:

I got two glasses in the air, one on my lap
When a DJ playin that Beez in the Trap
They be staring at us like screens on the map
Can we move it so G like leads on a map.
I had to stop for a second to catch my breath,
Cause the smoke so vivid, you would think we lit
But we ain't done yet, gonna get more bent in the back (in the back)
Uh, the way you've never seen the motherfucker
Quite like me I'm a safari
Doing... up in NYC drinking Martinies,
Why you're mad at me, foe? Hook:
We're twisting up like a night skater
Higher than the fucking skyscrapers with a love flavor.
We're lifting up like an elevator
Climbing like a trap vader, creeping like an alligator.
Creeping like an alligator, creeping like an alligator
Creeping like an alligator, creeping like an alligator I got a penthouse at the chateau
Bottles by the case load, models and some lace clothes.
Popping out, so case closed.
Show you where your face goes, just below my name, hoe!
Up against the bathroom door
Like I got you on my payroll,
Work until I say so.
I ain't gotta say no more,
You see me drop it way low, spread it like a bagel
Homie, what you gonna do, huh?
Talking like you got some gumbaz
You're wacker than a fucking rumba
I'mma stay doin me, hoo-rah! Black elevator handbag on my lap
Stacking up this paper like I'm paying up my tax.
Bumping new... while I'm coasting the...
Loving the people say, West Coast, just... Hook:

We're twisting up like a ice skater
Higher than the fucking skyscrapers with a love flavor.

We're lifting up like an elevator
Climbing like a trap vader, creeping like an alligator.
Creeping like an alligator, creeping like an alligator
Creeping like an alligator, creeping like an alligator

Alligator, alligator, alligator, alligator
Alligator, alligator, alligator, alligator I stay creeping, I stay creeping, I stay creeping
I stay creeping, I stay creeping, I stay creeping, uh
I stay creeping, I stay creeping, I stay creeping, aha
Creeping, creeping, creeping
