

Long As I Can See the Light

[Marc Cohn](#)

Put a candle in the window
'Cause I feel I've got to move
Though I'm going, going
I'll be coming home soon
Long as I can see the lightPack my bag and let's get moving
'Cause I'm bound to drift a while
When I'm gone, gone
You don't have to worry long
Long as I can see the lightGuess I've got that old trav'ling bone
'Cause this feeling won't leave me alone
But I won't, won't
Be losing my way, no, no
Long as I can see the lightYeah, yeah, yeah, oh, yeahPut a candle in the window
'Cause I feel I've got to move
Though I'm going, going
I'll be coming home soon
Long as I can see the lightLong as I can see the light
Long as I can see the light
Long as I can see the light
Long as I can see the light
