

Shalala Lala

Vengaboys

Make some noise for the Venga! Vengaboys
There's a boy in my mind and he knows
I am thinking of him
All my way through the day and the night
Stars shine above me
He's been gone for sum time
But I know I truly love him
And I am singing a song
Hoping he'll be back when he hears it
My heart goes shalalala, shalala in the morning
Shalalala, shalala in the sunshine
Shalalala, shalala in the evening
Shalalala, shalala just for you
Make some noise for the Vengaboys!
If your lucks gone away just like mine
You feel like crying
Sing along maybe once
Maybe twice let's try it together
Some sweet day no one knows
You'll return and you'll be happy
Shouting sweet in a song
Listen to your heart it is singing
My heart goes shalalala, shalala in the morning
Shalalala, shalala in the sunshine
Shalalala, shalala in the evening
Shalalala, shalala just for you
My heart goes shalalala, shalala in the morning
Shalalala, shalala in the sunshine
Shalalala, shalala in the evening
Shalalala, shalala just for you
Shalalala, shalala just for you
