

# I Can't See Nobody

Bee Gees

I walk the lonely streets, I watch the people passing by  
I used to smile and say hello, guess I was just a happy guy  
Then you happened, girl, this feeling that possesses me  
I just can't move myself, I guess it all just had to be I can't see nobody, no, I can't see nobody  
My eyes can only look at you, you I used to have a brain, I used to think of many things  
I watched the falling rain and listened to the sweet birds sing  
Don't ask me why, little girl, I love you and that's all I can say  
You're every, every breath that I take, you are my nights, my night and day I can't see nobody, no, I can't see  
nobody  
My eyes can only look at you, you Every single word you hear, girl, is coming from this heart of mine  
I've never felt like this before, a love like yours is so young and fine  
And now as I try to forget you, it doesn't work out any way  
I loved you such a long time ago, but in my eyes you'll always be  
Every single word you hear, is coming from this heart of mine  
I loved you such a long time ago, don't know why  
But I don't know why, baby I can't see nobody, no, I can't see nobody  
My eyes can only look at you, baby I can't see nobody, no, I can't see nobody  
My eyes can only look at you, you
