

# Pot Hole On Main Street

## Randall Bramblett

Pot hole on main street

Messin with my ride

I can't get no asphalt

No matter how I try

They sent people from the city

With shovel and pick

Everybody just talkin

Don't nothin get fixed And it's a sad, sad business but I'm tellin you the truth

Can't nobody fix the hole in the world but you

I had a uncle drink Nyquil

In the mornin to chill

If that won't stop your shakin

Said nothin else will

Now he used to have a good job

Down at the cement plant

How you gonna feed my family

With the government stamps

And it's a sad, sad business but I'm tellin you the truth

Can't nobody fix the hole in the world but you
