

# Bob Wills Is Still The King

## Asleep At The Wheel

Well the honky-tonks in Texas were my natural second home  
Where you tip your hats to the ladies and the rose of San Antone  
I grew up on music that we called western swing  
It don't matter who's in Austin,Bob Wills is still the kingLord i can still remember,the way things were back  
then  
In spite of all the hard times,i'd live it all again  
To hear the Texas playboys and Tommy Duncan sing  
Makes me proud to be from Texas where Bob Wills is still the kingYou can hear the Grand Ol' Opry in  
Nashville Tennessee  
It's the home of country music,on that we all agree  
But when you cross that ol' Red River hoss that just don't mean a thing  
Cause' once you're down in Texas,Bob Wills is still the kingWell if you ain't never been there then i guess you  
ain't been told  
That you just can't live in Texas unless you got a lot of soul  
It's the home of Willie Nelson,the home of western swing  
He'll be the first to tell you,Bob Wills is still the king
