## Dramaboi

Dumela mmaetsho  
Dumela rraetsho  
Kopa le nthuse go boloka sechaba sa etsho  
Dithapelo ga di thuse ga go sena actionâ€™Me  
Modimo o etla otl go dira selectionâ€™Me  
When I hold the mic o bone reactionâ€™Me  
Ke ba bontsha true colors like im michell Jacksonâ€™Me  
Chilling mo leâ€™Mbackâ€™Mtenne (With a bad chick)  
Lying to her like a politician e batla electionâ€™Me  
Opposite attractionâ€™Me  
I got money to pay for attentionâ€™Me  
I need your attentionâ€™Me  
Did I even mentionâ€™Me  
Ke ja motswako ke tswetse di curtainâ€™Me  
Ke ba ruta lessonâ€™Me  
Ko ke tswang everybody scream unity  
But they barely share the same table  
Ela tlhoko what you say to the community  
Would you change the world if you had the opportunity  
Soon and very soon weâ€™re going to see the King  
So be afraid if you call yourself a King  
Be very afraid if you call yourself a God  
Elatlhoko what you say when you record  
When Iâ€™m alone hake tlhatswa dikotlele  
I think about my life hake reeditse gospelâ€™Me  
Should I follow the groupies and the fame  
Or should I remain the same tsela di pedi must ke itlhophela  
Yeah ainâ€™t nobody sponsoring but Iâ€™m conquering  
I donâ€™t wanna sign deals they be offering (They be offering)  
Coz after you sign is you they gon be torturing  
Man if you ainâ€™t talking money I ainâ€™t bothering (I ainâ€™t bothering)  
Coz olaydi o emetse that call homie (That call homie)  
That im gonna make after I get it all homie (I get it all homie)  
Nna ke a iperekela ainâ€™t no uniform homie  
I remember ha ba ntshega bare lol homie  
Now I'm gone homie now theyâ€™re dancing to my song homie  
Sometimes I wonder what they really want from me  
Ga nkitla ke lebala ko ke tswang teng (Tswang teng)  
Mme ga gogwe ke lebala ko ke yang teng

When a bad chick is in my room  
When a bankie is in my room  
Etla ntseela ko marung  
I just wanna light it up with my goons  
Life if a movie but I'm watching cartoons  
And people wanna help to be seen (To be seen)  
Send'a message ba go betse ka seen  
Started as a teen  
Now I got a team  
Funny how it all started with a dream  
Pene le pampiri ke sena nako ya dibiri  
If you wanna see a loser o tla mo utlwa ka di khwiri  
Back in the city in the jungle ya diphiri  
When you start getting money macheri ba go bitswa sweetie  
Promotara kafa di tletse makhirikhiri  
Di ipolaisa full chickenâ€™ le full pidipidi  
When Iâ€™m hungry out here  
I said im hungry out here  
Majita ga ba itse tanki out here  
They just wanna pop bottles tsa di dumpy out here  
They donâ€™t care if the road ele bumpy out here  
Bare se nkganang se nthola morwalo  
Nna kare se nkganang se ntira dingalo  
Dramaboi wa makeishane
