## Giant Panda Guerilla Dub Squad

(Lyrics by Tim Robbins)

Just because youâ€™re naked  
Doesnâ€™t mean youâ€™re sexy  
Just because youâ€™re cynical  
Doesnâ€™t mean youâ€™re cool

You may tell the greatest lies  
And wear a brilliant disguise  
But you may never escape the eyes  
Of the one who sees right through you

So you better listen to me sisters  
Play close attention mister  
Itâ€™s very good to play the game  
Amuse the gods avoid the pain

But donâ€™t trust fortune  
Donâ€™t trust fame  
Your real self  
Doesnâ€™t know youâ€™re name

Weâ€™re all the same  
You know weâ€™re all incognito

But in the end what will prevail  
Is passion not your tale  
But love is the holy grail  
Even incognito

But in the end what will prevail  
Is passion not your tale  
For love is the holy grail  
For love is the holy grail  
Love is the holy grail  
Even incognito
