Paul Oakenfold

This right here is payback from way back, I don't play that
This right here is payback from way back, I don't play that
This right here is payback from way back, I don't play that
This right here is payback from way back, I don't play thatRecognize a real dime when you see one
And don't try and be one, ya fuckin' peon
I been like Dion for eons
You ain't nothin but a biatchMessed around and let me re-up
I come back through and tear the street up
Ice Cube, nigga, you better D up
And when I come by bitch, you better be upAss up, face in the pillow
I don't give a fizzle
Got ta do my bizzle
The only nizzle that will never ever fizzle
Original, you niggas knowGotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)

Who wanna squab with the frozen
Now who wanna battle with the chosen?
You niggas lotion
I'm no emotion
I'm shrapnel from the explosion
Hit you in the face while you posin'
High as Jimi Hendrix
I lined up ten dicks
And took out appendix
So go get forensics
Let em know I'm Geronimo
Till it's my time to goYou better find your ho
Get your babies and your mama
And move to GuantonimoDoubt my skills
I'm payin' my bills
I'm up in the hills
You niggas are kills

Even though I'm on a fucked up label
You bitches know what I can bring to the tableGotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em upThis right here is payback from way back, I don't play that
This right here is payback from way back, I don't play that
This right here is payback from way back, I don't play that
This right here is payback from way back, I don't play thatI like bitches like you
Five Two, wearin' light blue
The freak get high too
With a fly do
Not a Erykah Badu
That's lookin' for an "I Do."
Now what can I buy you
Just to try you
Need another bitch to lie to
Need another bitch in my coupe
Oh please can I trouble you
For a double scoopA nigga needs some T 'n A
Now you can dick but you can't get no DNA
I heard you was a big freak
(Can I hang?) Bitch look down I got some big feet
I like Mike and Ikes
I like watchin' dikes
I like goin' to fights
I like earnin' my stripes
In the book of life
There's only two women
Big ol' good ones and good ol big onesGotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em up (come get some)
Gotta get 'em up (who wants some)
You better get 'em up
