Wasted

Metz

It always falls apart when the lights turn on
You cant feel your legs, cant feel your face
Everybodys gone
Youre wasted x 2
You feel no pain
It all adds up to nothing
Over and over againYoure wasted
Youre already gone
Youre wastedNow theres nothing left to bring you down
Youre hanging from the basement ceiling
Got youre feet off the groundYoure wasted x 2
Its never going stop
Sob story of a bleeding heart
Its going to hurt when you hit rock bottomI cant take it x 8Youre wasted
Youre already gone
Youre wasted
Youre already gone
