King City (Album Version)

Swim Deep

I wanna be everything that I'm not
I wanna be rich, I wanna show off
Just a desperado, with a sour twist
It'll all come sweet on your lips'Cause I'm in love, so old
Put your flowers down, it's too cold
Fuck your romance, I wanna pretend
That Jenny Lee Lindberg is my girlfriendWith the sun on my back it's a nice day
I will never ch-choose any other way
With the sun on my back it's a nice day
I will never ch-choose any other wayI need to come home to see my friends
I need to come down to feel insane
I know I'm not cool right now
I'm as high as a fool, I'm outta sight now'Cause I'm in love, so old
Put your flowers down, it's too cold
Fuck your romance, I wanna pretend
That Jenny Lee Lindberg is my girlfriendWith the sun on my back it's a nice day
I will never ch-choose any other wayWith the sun on my back it's a nice day
I will never ch-choose any other way
With the sun on my back it's a nice day
I will never ch-choose any other wayWith the sun on my back it's a nice day
I will never ch-choose any other way
