Always On My Mind

One Voice

my friends tell me i'm crazy
they say that i'm strange
they tell me ever since i met you i've changed
i must admit it's true and i'd go outta my way to do
anything for you 'cause baby I want you to know
that i've gotten so close
and i need you to show me a sign
because you and i can't afford to waste time
when it's love that's on my mindchorus:
Every second
every minute
every hour
every day
it's you that i've been thinkin of
and everyday
every week
every month
every year
with you i wanna be in love
'cause i can't get enoughalways on my mind
yes you are
i think about you all the timeI can't eat and i can't sleep i can't think
'cause all i think about is you
and how you make me feel inside
from every little thing that you do
'cause you put a smile on my face
every time you embrace and pull my body close to you
but if only you knew all the things that i'd do
for your love i'd stay truechorus:all i need is a little more time and devotion
so that we can be livin a life of love
for eternity
'cause i don't want to be alone
and my house would not be home
without you here with me
