

Censorshit

The Midnight Beast

Swearing in the name of... NOTHING

Get so much pussy they should call me a vet
Your mum called asking if I were game yet
Like a urinal always taking a piss
My bum is so numb, in other words I don't give a shit

Fuck you!
I'll never do what I'm told
Fuck you!
My dick is made out of gold
Fuck you!
Fuck giving a shit
Fuck you!
That fucking censorshit

When I was born I was the focus of the hospital ward
The doctor thought my dick was an umbilical cord
I want REVOLUTION but I don't know what it means
I never sleep with an animal that was under 16

Fuck you!
I'll never do what I'm told
Fuck you!
My dick is made out of gold
Fuck you!
Fuck giving a shit
Fuck you!
That fucking censorshit

Fuck you!
I'll never do what I'm told
Fuck you!
I'll never do what I'm told
Fuck you!
I'll never do what I'm told
Fuck you!
I'll never do what I'm told

Wish that I hated my dad, but he's not that bad

I've got a microphone and testosterone
I'm just an angry guy, but I don't know why
I hate everything, swearing in the name of... NOTHING!
