Agitated

electric eels

You do it to make me agitated
you know i appreciate it
why can't i complicate it
so why should i look at you
my love here is so true
yeahYou do it to me sweetly
do them yeah yeah
you do it to me lovely
do they yeah yeahYou try to make me crazy
you make me agitated
and then i'm suffocated
and why should i look at you
my love here is so true youDo it to me sweetly
do them yeah yeah
you do it to me lovely
do they yeah yeah o me sweetly
