Giving Up

HAERTS

Now I'm a stranger in my own world
It's not your fault that can't use words
Your eyes are a force I can't fight
Never touching, they're as dark as night
Holding onNow I'm a stranger, I know I'm gone
The highest love isn't always the best
Racing my heart breaks through my chest
An electric reaction in me
It's not a choice to dance dangerously
Sometimes, the highest love is too far to feelI'm giving up
You say it's now or never
I'm giving up
In time it's for the better
I'm giving up
Before the night is gone
I'm giving in
Giving up strong
I'm giving up
You say it's now or never
I'm giving up
In time it's for the better
I'm giving up
These dreams into the sun
I'm giving in
Giving up strongWhen there's nothing left to walk away
Chasing a feeling we can't tame
You know the darkness no one believes
I know there's no relief in these dreams
Whenever there's nothing left for us to feelI'm giving up
You say it's now or never
I'm giving up
In time it's for the better
I'm giving up
Before the night is gone
I'm giving in
Giving up strong
I'm giving up
You say it's now or never
I'm giving up

In time it's for the better
I'm giving up
These dreams into the sun
I'm giving in
Giving up strongIn a time without memory
It's more than a fantasy
A time without memoryI'm giving up, I'm giving up, I'm giving
I'm giving up, I'm giving up, I'm giving
I'm giving up, I'm giving up, I'm giving
I'm giving up, I'm giving up, I'm givingGo, don't try to hold it
Go, don't cry about it
Go, don't try to hold it
Go, don't cry about itI'm giving up
You say it's now or never
I'm giving up
In time it's for the better
I'm giving up
Before the night is gone
I'm giving in
Giving up strong
I'm giving up
You say it's now or never
I'm giving up
In time it's for the better
I'm giving up
These dreams into the sun
I'm giving in
Giving up strongGiving up, I'm giving up...
