Mask of Sanity

Golliwog

Aaa aoh
I can't waste away
I'm slowly losin' my way forever
I better raise your slave for me anymore
Daylight's sin inside
Days growing closer, wait for pain
I cannot wait another night to be alone
Uh, the voices are calling me
Be my knight
This devil sigh
Yeao, shadows are tainting me
Yeao, I know that only you can render pain
Peace of mind
You run away from me
So make me lose my
Mask of sanity
I can't waste away
I'm slowly getting my way alone
Better is what I used to feel alone
Shattered lights, sin in taint
Days growing longer, wait for pain
I cannot wait another night to be with you
Yea
Peace of mind
You run away from me
So make me lose my
Mask of sanity
Peace of mind
You run away from me
So make me lose my
Mask of sanity
