

# Things Can Only Get Better

Howard Jones

We're not scared to lose it all  
Security throw through the wall  
Future dreams we have to realize  
A thousand skeptic hands  
Won't keep us from the things we plan  
Unless we're clinging to the things we prize And do you feel scared, I do  
But I won't stop and falter  
And if we threw it all away  
Things can only get better Treating today as though it was  
The last, the final show  
Get to sixty and feel no regret  
It may take a little time  
A lonely path, an uphill climb  
Success or failure will not alter it And do you feel scared, I do  
But I won't stop and falter  
And if we threw it all away  
Things can only get better And do you feel scared, I do  
But I won't stop and falter  
And if we threw it all away  
Things can only get better
