

# Love's A Hard Game To Play

Stevie Nicks

Wake up my sweet child  
There's something I've got to say to you tonight  
And it's time you took a look at me  
'Cause there's so much more to me than meets the eye Well, there's more to love than makin' time  
The harder you look the more you'll find  
It's never easy no matter what they say Love's a hard game to play  
The heart's the price that you pay  
Love's a hard game to play  
No matter what they say  
Win or lose, no matter what they say  
Well love's a hard game to play The problem here is not my fear  
The trouble is you can't convince yourself  
For tonight, let's lose the past, make love last  
Put our worries on the shelf We've been through thick and thin and back again  
And we can endure love's sweet pain  
Well remember, starting the fire is easy  
The hardest part is learning how to keep the flame Love's like walking a real fine line  
You get too close you'll go blind  
Let go too long it, will all drift away Love's a hard game to play  
The heart's the price that you pay  
Love's a hard game to play  
No matter what they say  
So win or lose, no matter what you say Just when I feel like I'm losin' you  
I hear those voices call  
They say it's better to have lost at love  
Than never to have loved at all  
Lose or win, stand or fall, stand tall Well, there's more to love than makin' time  
The harder you look, the more you'll find  
It's never easy, no matter what they say  
Love's a hard game to play, baby Love's a hard game to play  
The heart's the price that you pay  
Love's a hard game to play  
No matter what you say Love's a hard game to play  
The heart's the price you pay  
Love's a hard game to play  
No matter what they say  
'Cause win or lose, no matter what they say  
Well love's a hard game to play It's a hard game  
It's a hard game to play
