Inside

Jennifer Knapp

I know they'll bury me
Before they hear the whole story
Even if they do
Well, I know they won't careTo chalk it up to a mistake
Or God forbid, they give me grace
Well, who in the hell
Do they think they are?I'm the one who keeps it on the inside
Locked away from judgments wrong, oh
I'm the one who keeps it on the inside
So they'll leave me alone, leave me aloneEach and every revolution
Starts at least with one illusion
You and I can be the same
Of one small mindDo this and don't do that
Which you think you can't take back
Well, who in the hell
Do you think you are?I'm the one who keeps it on the inside
Locked away from judgments wrong, oh
I'm the one who keeps it on the inside
So they'll leave me alone, leave me aloneI know they'll bury me
I know they'll bury me
I know they'll bury me alive, ohEven though I got conviction
Even though I got my pride
I know they'll bury me
They'll bury me aliveI'm the one who keeps it on the inside
Locked away from judgments wrong, oh
I'm the one who keeps it on the inside
So they'll leave me alone, leave me aloneI'm the one who keeps it on the inside
Locked away from judgments wrong, oh
I'm the one who keeps it on the inside
So they'll leave me alone, leave me alone
