What You Know

Two Door Cinema Club

in a few weeks, I will get time
To realize it's right before my eyes
And I can take it, if it's what I want to doI am leaving, this is starting
To feel like it's right before my eyes
And I can taste it, it's my sweet beginningAnd I can tell just what you want
You don't want to be alone
You don't want to be aloneAnd I can't say it's what you know
But you've known it the whole time
Yeah, you've known it the whole timeMaybe next year I'll have no time
To think about the questions to address
Am I the one to try to stop the fire?I wouldn't test you
I'm not the best you could have attained
Why try anything?
I will get there, just remember I knowAnd I can tell just what you want
You don't want to be alone
You don't want to be aloneAnd I can't say it's what you know
But you've known it the whole time
Yeah, you've known it the whole timeAnd I can tell just what you want
You don't want to be alone
You don't want to be aloneAnd I can't say it's what you know
But you've known it the whole time
Yeah, you've known it the whole time
