

Driver 8 (Remastered)

R.E.M.

The walls are built up stone by stone
The fields divided one-by-one
And the train conductor says
"Take a break, Driver 8, Driver 8, take a break
We've been on this shift too long" And the train conductor says
"Take a break, Driver 8, Driver 8, take a break
We can reach our destination but we're still a ways away" I saw a treehouse on the outskirts of the farm
The power lines have floaters so the airplanes won't get snagged
Bells are ringing through the town again
Children look up, all they hear is sky-blue, bells ringing And the train conductor says
"Take a break, Driver 8, Driver 8, take a break
We can reach our destination, but we're still a ways away" Way to shield the hated heat
Way to put myself to sleep
Way to shield the hated heat
Way to put myself, my children to sleep He piloted this song in a plane like that one
She is selling faith on the Go Tell crusade
Locomotive 8, Southern Crescent, hear the bells ring again
Field to weed is lookin' thin And the train conductor says
"Take a break, Driver 8, Driver 8, take a break
We've been on this shift too long"
And the train conductor says
"Take a break, Driver 8, Driver 8, take a break
We can reach our destination, but we're still a ways away"
