

Ooh Girl

Wooster

Yeah well,
A dinner party and it went all night
and we went through a dozen bottles
of wine and everybody..they was havin' a real
a real good time. yeah so dinner it was over
up out of my seat turn up the music and
speed up the beat gotta find a girl to dance
with me. yeah so everybody movin' groovin'
into the kitchen all 5,4,3,2,1 ignition that girl
that caught me eye was time to move into position
she had..dark hair and a green tank top with
tight blue jeans and sandy flip flops she was
sweeter than sweet she was sweeter than love
sweetest lollipop and I said Ooh girl yeah oooh girl won't you be mine I gotta know
if there's somethin' I can do
x2 Do you right yeah
singin' ooh girl na oooh girl won't you be mine
I gotta know if there's somethin' I can do
x2 Do you right yeah Yeah well we got to talkin' and as it turns out she
with fresh in comin' from outta town lookin' for
someone who knows the roads to show her around
and I said well I'm your man and she took me by
my hand lookin' me straight in my eye said is there
anybody takin' care of you tonight And she said ooh boy and I said oooh girl won't you be
mine I gotta know if there's something I can do
x2 Do you right yeah
And she said ooh boy and I said oooh girl won't you be
mine I gotta know if there's something I can do
x2 Do you right yeah
