Out on Love

Lydia Loveless

How could love like this exist?
Feels more perfect with every kiss
Now I'm walking away
I don't want to miss
Out on loveHow could someone like you be real?
I'm not sure what heavens feels like
But if I can get there, then I hope you would too
Now if I could write to you
Then all I would say
Is that I need you
Almost everyday
I tried but I could not
Find the words to say
That I need timeWell, how could love like this exist?
It feels more perfect with every kiss
But now you're walking away, I guess
I don't understand
How someone like you would be cruel
Well, I don't know what the truth is
But you gave me every reason
To fall out of everlasting armsIf I could write to you
All I would say
Is that I miss you more everyday
I try but I cannot be carried away
I guess I missed
Out on love
Out on love
Out on love
