

# It's Only Me

## Barenaked Ladies

Speaking as a guy who's really got it going on  
It's only natural  
It's only me Take it from a fella who's been 'round the block so many times  
He knows the only parking spot that's free  
It's only me You can say I've tried everything  
I save on my wedding ring  
Who knows me half as well as me? I'm not antisocial and it's nothing that's reproachful  
It's just natural  
It's only me I can't think of anybody else  
I'd rather spend some one on one time with  
It's not that hard to see  
It's only me I'm the me in monogamy  
I'm not asking a lot of me  
I give me R E S P E C T And if you're heart is broken  
You can just do what you do best  
You can just do what you do When you're heart is broken  
Trust in the one who will love you  
Never put others above you I thought I was using me to get to you  
But this is true and natural  
It's only me They say you'll never love another 'til you love yourself  
Well, brother, I'm in love with everyone I see  
It's only me You can say I've tried everything  
I save on my wedding ring  
Who knows me half as well as me? I'm the me in monogamy  
I'm not asking a lot of me  
I give me R E S P E C T
