The Way I Feel Inside

The Zombies

should i try to hide the way i feel inside my heart for you? would you say that you would try to love me too? in your mind could you ever be really close to me? i can tell the way you smile if i feel that i could be certain then i would say the things i want to say tonightbut till i can see that you'd really care for me i will dream that someday you'll be really close to me i can tell the way you smile if i feel that i could be certain then i would say the things i want to say tonightbut till i can see that you'd really care for me i'll keep trying to hide the way i feel inside
