Straight Off the D.I.C.

Cannibal Ox

Yo, yo

Def Jux, cipher unknown

(This is hard right here)

Co-Flow what the deal?

(This is Brooklyn right here) This on fire right now

(This is east, this is west)

Third degree

(Vast Air Kramer)Yo, I been nice but you rather put your hat in your sleeve

And break arms like Segaul, don't wear your heart on your sleeve

There's two things in life, fact and belief

Yeah and you best to believe, it's a fact I just rolled the leafDef Jux don't care about your culture or creed

Or the color you bleed and it be Ox versus aliens

All you see is Martians piled up

That's jiggy shit my b-boy chest rises up You ain't a convict, you got caught jaywalking

And you don't know the alphabet but you still talking

Well, I got a blade too

And I know it's sharp enough to cut youThey call me starvin' Harlem, scissor tongue, I lick tissue

And pardon me, my lava just spit almost hit you

You know I got liver, spinning got a lot of it

We can call it in the air, this is for rain drop missilesHeads or tails

The last cat who tried to see me, he now gotta touch braille

Everybody inherit the earth, why not?

We can sell it to the frail, and feed 'em fairy talesCannibal O-plus the-X

Love to sex, microphones, the type of poems

We spit rips through scripts and strips ya bones

Yo, we sick wit poems off the domeI'm off the known, inhaling Newports and eights

'Cause New York is sick, still we walk and spit

Straight off the dick wit' these niggas

Please you freeze in the NYC where everyoneLive from the 135 representing niggas that strive

Straight through hard times trying to survive

Inside of New York, the island of crime

Where the most violent of minds, walkin' these blocksStay eying on mine, yo, my brain sparks like sporting a

glock

I might start firing live, straight off of the top

Cannibal Ox, inspiring minds, flipping on tracks

Spitting these live animal rapsI'm strangling cats sliding on my side of the map

Thinking he all you ain't got it like a mighty matter of fact

You small, claiming you large?

I'm pulling ya car, leavin' ya scarredReppin' tragedy, warfare but nod yo, this God writes like

Traveled bars and dabbled stars and shine to
Rap Allah, yo, we crack cigars that gettin' me stressed
Pulling on sets, stabbing these birds, loving the sexNow I'm chillin' in front of my rest
Smoking the rent, watching these cops, popping on blocks
Screaming y'all niggas ain't nothing awake

We trying to gain freedom like a tribe in TibetStarving niggas had to still spit it live on the set Live on the set

You know what I'm sayin' I dunno

So nigga, how you do it, we stay moving Through the jungle, ghetto surviving, spittin' lines off the How you do it, we stay moving
