Queen For A Day

Donna Summer

Queen for a day, queen for a night
Dressed head to toe, so you'd never know it's me, it's me
Ribbons and lace, shoes made of glass
Rouge on my face, off to the dance
To dance
To dance and dance and dance and dance
Queen for a day, queen for a day
Queen for a day, queen for a night
Just time to find the man who could be so right
Queen for a day, ribbons and lace
Shoes made of glass, rouge on my face
To dance and dance and dance and dance
And dance the night away
Gonna dance the night away
Gonna be a queen for a day
Wanna dance the night away

What I'd give to be a queen for a day
Gonna dance and dance and dance
Gonna dance and dance and dance
Queen for a day, queen for a day
Queen for a day, queen for a day
Queen for a day, queen for a night
Just time to find the man who could be
So right, so right
Queen for a day, queen for a night
Ribbons and lace suit me just fine
So fine, so fine
I shall be queen for a day
I shall be queen for a day
Can you make me a queen for a day
Queen for a day
