I Wanna Know Why (Demo)

Channel 3

In our time
Nothing we do means nothing
And that's fine
We don't live our life for all of them
The late nights
Drinking to block out the pain
Right now
I'm feeling so numb againAnd I don't mind you taking it away from me
And it don't mean that much and can't you see
That you can do what you want and I won't even try
But one more thing, I just wanna know why
They're looking at me that way
Tell me why
They got nothing nice to say
I don't like
The image they force on me
Nice guys
They don't finish last for freeAnd I don't mind you taking it away from me
And it don't mean that much and can't you see
That you can do what you want and I won't even try
But one more thing, I just wanna know whyDo you know
How I feel in the night
All alone
I don't even care what seems right
The late nights
Drinking to block out the pain
Right now
I'm feeling so numb again
And I don't mind you taking it away from me
And it don't mean that much and can't you see
That you can do what you want and I won't even try
But one more thing, I just wanna know why
