Tell Me Why

Prezioso

Walk alone tonight
Under the starry skiesI don't feel the way
That I've been feeling before you came into my life
And I knew that you
could turn me on every time you came into my mindI'm trying to realize
If I can be what you want and make your love just mine
Don't play with me now
You'd better come to me, you'd better come to meI will walk alone tonight
Under the starry skies
Want to be alone tonight
Forever now on my mind
I've been with you so long
And you know what I want and thenTell me why you won't love
Why my love
Tell me why you won't love
Why I don't know
Tell me whyI don't need to say
that I've been dreaming about you that long long night
and I wait for you
to call me now and to tell me that you will be mineI found you are so bright
That's why I want you in my life
And I want you right now
Don't play with me now
You'd better come to me, you'd better come to meI will walk alone tonight
Under the starry skies
Want to be alone tonight
Forever now on my mind
I've been with you so long
And you know what I want and thenTell me why you won't love
Why my love
Tell me why you won't love
Why I don't know
Tell me why you won't love
Why my love
Tell me why you won't love
Why I don't know
Tell me whyWalk alone tonight
Under the starry skiesTell me why you won't love
Why my love

Tell me why you won't love
Why I don't know
Tell me why you won't love
Why my love
Tell me why you won't love
Why I don't know
Tell me why
